

The Dovecot

“For a child, it is in the simplicity of play that the complexity of life is sorted like puzzle pieces joined together to make sense of the world”.

L.R. Knost

The Dovecote is equipped with police and court standard video equipment. The room is larger and has more symbols out than the nest yet contains the same range of equipment. It enables increased joint work with parents/carers due to the level of space available

“You are mistaken if you think we have to lower ourselves to communicate with children. On the contrary, we have to reach up to their feelings, stretch, stand on our tiptoes.”

Janusz Korczak 1925
